TRUST & SAFETY | COMMUNICATIONS | ONLINE REPUTATION

Kaunas, Lithuania | LinkedIn: [linkedin.com/in/julius-merzlikinas-761157294/](https://www.linkedin.com/in/julius-merzlikinas-761157294/)

PROFESSIONAL SUMMARY

Trust & Safety and communications professional with hands-on experience supporting Vinted through Content Trust & Safety operations. Currently working at Transcom on the Vinted account, reviewing user activity, transactions, conversations, and potential scam attempts to identify risks, protect users, and maintain platform integrity. Previously worked as a Customer Success Manager in a cybersecurity-focused environment, developing strong communication, relationship management, and problem-solving skills. Analytical, detail-oriented, and comfortable handling sensitive and ambiguous situations, with a strong interest in online reputation, user sentiment, and protecting the trust users place in digital platforms.

PROFESSIONAL EXPERIENCE

TRANSCOM

Junior Content Trust & Safety Specialist | Client account: Vinted | June 2025 – Present

- Work on the Vinted platform, supporting Content Trust & Safety operations and helping maintain a safe and trustworthy online marketplace.
- Monitor and review user activity, transactions, conversations, and platform content to identify scams, suspicious behavior, policy violations, and other potential safety risks.
- Investigate scam attempts and potentially harmful activity, assessing individual cases and user behavior against applicable policies and safety standards.
- Review complex and sensitive cases involving users, transactions, communications, and potential abuse of the platform.
- Analyze patterns of user behavior and suspicious activity to identify potential risks and recurring abuse trends.
- Make risk-based decisions by evaluating context, evidence, user behavior, and potential impact on the platform and its users.
- Handle sensitive user information and high-impact cases with accuracy, confidentiality, and professional judgment.
- Contribute to maintaining a safe, reliable, and trustworthy online marketplace for Vinted users.

CYBERCARE

Customer Success Manager | October 2023 – September 2024

- Managed customer relationships within a cybersecurity-focused environment, ensuring clear and effective communication throughout the customer journey.
- Acted as a key point of contact for customers, understanding their needs and helping resolve questions, issues, and concerns.
- Built strong customer relationships through clear, professional, and solution-oriented communication.
- Worked systematically to identify customer problems, understand their underlying causes, and provide appropriate solutions.
- Handled challenging customer situations while maintaining a calm, professional, and customer-focused approach.
- Collaborated with internal teams to ensure customer needs and issues were communicated effectively and addressed in a timely manner.
- Developed strong experience in customer communication, relationship management, problem-solving, and cybersecurity-related services.
